

CORRESPONDENCE

Tri-State Amateur Radio Society

ILLINOIS - KENTUCKY - INDIANA

MEMBER CORRESPONDENCE

January 4, 1951

Mr. Lawrence Forster
420 Herndon Drive
Evansville, Indiana

Dear Lawrence,

The passing of your Father on Christmas Day was indeed a shock to all the members of the Tri-State Amateur Radio Society and in particular to those who knew him personally or had contact with him via amateur radio.

Although his business connections and later his health prevented him from becoming an active member of the Society, he was well known in our organization as a member of a family of three licensed operators, and will long be remembered as W9HFF, the father of W9KNZ and W9KDC.

The licensed amateur radio operators and the associate members of the Tri-State Amateur Radio Society wish to offer their heartfelt condolences to you on this sad occasion.

The American Radio Relay league has been notified of the death of your father in order that his name and the call W9HFF may be placed on the roll of "Silent Keys".

Sincerely,

Robert H. Decker, W9AZJ

Gentlemen:

We were very sorry to learn of the passing of Mr. Carl E. Forster, W9HFF. Arrangements have been completed for listing the name and call of this late amateur in the Silent Keys section of an early issue of QST.

We deeply appreciate your undertaking the task of forwarding this sad information.

Sincerely yours,

Harold M. McKean, W1CEG

Representative William M. Cockrum
State House, House of Representatives
Indianapolis, Indiana

Dear Bill:

I am an old time amateur radio operator, and there is a bill before the House directly affecting us. It is House Bill No. 140 and has to do with special automobile license plates for "Ham" operators.

This practice of providing these plates with our radio station call letters imprinted thereon is gaining in popularity. Several states now do this, and according to the American Radio Relay League, it has been beneficial in a number of emergency cases when regular communication facilities were disrupted.

I am sure that the recognition of the Amateur Radio Fraternity by the passage of this House Bill will be appreciated by its individual members. Will you talk to Ed Macer and your other colleagues to use your collective influence toward the successful passage of this bill.

With my thanks and best personal regards, I am

Sincerely yours,

John E. McCutchan

Board of Trustees
Waterworks Department
130 S. E. Third Street

Attn: Mr. Harold Grafe, Secretary

Dear Mr. Grafe:

As in the past, the Tri-State Amateur Radio Society would like to request the use of Stringtown ~~Reservoir~~ grounds on June 23, 24, 1951. It will be used for the Amateur Radio Operator's Field Day.

This annual event is a 24 hour test of emergency-powered stations in the field, operating under conditions approximately those likely to be encountered in an actual emergency. It has grown to be an activity in which radio clubs and other organized groups, such as ours, function as teams in setting up and operating communications equipment independently of normal power facilities. It is an excellent demonstration of amateur radio's ability to provide communications useful in times of emergency, and how it could tie in with our local civil defense organization.

The Society greatly appreciated the cooperation received from the Department last year to help make our Field Day a success.

We are planning for a bigger and better Field Day this year. If permitted to use the reservoir again this year, we will keep everything in order and clean up the area before leaving.

Very truly yours,

Robert H. Decker, Secretary
Tri-State Amateur Radio Society

Attention: Mr. Robert H. Decker, Secretary

Dear Sir:

At the regular meeting of the Board of Trustees of the Evansville, Indiana Waterworks Department, on Thursday, May 31st, 1951, they granted your society permission to use the grounds at the Reservoir on June 23rd and 24th, 1951.

As a further suggestion, they requested that someone with police power be alerted so that some stranger will not trespass on this property, as we are using every precaution at this time to protect the water supply for the community.

Very truly yours,

EVANSVILLE, INDIANA WATERWORKS DEPT.

Gentlemen:

According to information contained in Chapter 23 of the 1951 edition of "The Radio Amateur's Handbook" page 502, The Communications Department of ARRL has prepared material suggesting various ways in which local clubs can form radio club interference committees.

The Tri-State Amateur Radio Society has an interference committee, and we would like to have a copy of this material.

Thanks for your cooperation.

Yours truly,

Attention: Mr. Harold Grafe, Secretary

Dear Mr. Grafe;

The members of the Tri-State Amateur Radio Society wish to express their sincere thanks for your cooperation in obtaining the use of the Stringtown Road Reservoir grounds for our annual Field Day, held on June 23-24, 1951. Also, the help of the caretaker was greatly appreciated.

This was the second year that the Reservoir Area was used by the Society and we feel that it contributed greatly to the success of our Field Day. The experience gained during the two day field operation will be invaluable should any emergency arrive in the future.

Sincerely Yours,

Robert Decker, W9AZJ

Attention: Mr. Ken Rice, Jr., Ex. Sec.

Dear Mr. Rice:

The members of the Tri-State Amateur Radio Society wish to express their sincere appreciation for the use of the two tents and first aid kit which your organization so generously furnished on June 23-24, 1951.

Our Society feels that the experience gained during the two days of field operation of our radio equipment will be invaluable should an emergency arise in the future. We trust that we may be able to be of assistance to you if an emergency should arise.

Thanks again for your fine cooperation.

Sincerely yours,

Evansville, Indiana

Dear Hank:

The members of the Tri-State Amateur Radio Society wish to express their sincere appreciation for your valuable assistance during our field day held at the Stringtown Roads Reservoir grounds, June 23-24, 1951.

As you know, this annual activity is a test of emergency-powered stations operating in the field. Of course, the antennas are a very important part of the installation. This year we had the best antenna system to date. Without your help this would not have been possible.

Once again, thanks for your fine cooperation.

Sincerely yours,

Robert H. Decker, W9AZJ
Secretary, Tri-State
Amateur Radio Society

Capt. Carl Risch
152nd P. A.
Indiana National Guard

Dear Sir:

On behalf of the Tri-State Amateur Radio Society,
I wish to thank you greatly for the cooperation received
from you during our annual Field Day, June 23 and 24, 1951.

As you know, this activity is a test of emergency-
powered stations in the field operating under conditions
approximating those likely to be encountered in an actual
emergency.

The two tents and assistance from members of your
command helped to make our 1951 Field Day a success.
Thanks again for your fine cooperation.

Yours truly,

Robert H. Decker, Secretary
Tri-State Amateur Radio Society

Evansville, Indiana

Dear Sir:

On behalf of the Tri-State Amateur Radio Society, I wish to thank you greatly for the cooperation received from your organization during our annual Field Day, held at the Stringtown Road Reservoir June 23-24-1951.

This activity is a test of emergency-powered stations in the field operating under conditions approximating those likely to be encountered in an actual emergency. Therefore, the use of the truck with power unit gave us a splendid source of emergency power. Likewise, the help given by Chief Palfalvy, Chief White, and EM2 Garder was greatly appreciated.

Thanks again for your fine cooperation.

Sincerely yours,

Robert H. Decker, Secretary
Tri-State Amateur Radio Society

INDIANA RADIO CLUB COUNCIL

An Affiliation Of Radio Clubs
Of The

State Of Indiana

Office of Acting Chairman

Tri-State Amateur Radio Society
Evansville, Indiana

To Club Members:

I have received a request from Miss Peggy Coulter, W9JUV, who is secretary to the Indiana Radio Club Council, to forward to you an application blank for membership. I am happy to attach the application blank with the hope that your club will see fit to become a member.

We think there are many advantages to be gained by membership in this organization. The object of the I.R.C.C. is to lend such aid as is possible in developing amateur radio clubs in the state of Indiana, to promote friendly co-operation among all amateur radio clubs in the state of Indiana and between this and other councils of adjacent areas. We will attempt to take general interest in all matters and problems affecting or involving amateur radio and take such action as may be deemed appropriate. The I.R.C.C. provides a means through which members of affiliated clubs may present a united front on matters of interest to them. We are promoting an annual Indiana Ham Fest and other state wide activities. The I.R.C.C. now consists of 15 affiliated clubs and we would feel fortunate in having your club join us. Attached you will find an application form for affiliation. If you see fit please fill it out and return to Miss Peggy Coulter, W9JUV, RR.#2, Box 362, Muncie, Indiana.

The next meeting of I.R.C.C. will be held April 8th and we would appreciate the opportunity to vote you in as a member at that time. We wish the best of luck to the club and hope to hear from you.

of names, calls, addresses and telephone numbers of authorized delegates and shall notify at once of any change.

or as may be requested by the Council.

INDIANA RADIO CLUB COUNCIL

An Affiliation Of Radio Clubs
Of The
State Of Indiana

Office of Vice Chairman

April 10, 1951

Mr. Robert Decker
311 Reed Street
Evansville, Indiana

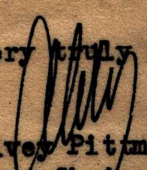

Dear Mr. Decker:

I have received your radiogram request dated April 5, 1951 for additional information on I.R.C.C. and am glad to hear from you. I am attaching a copy of our constitution, which in itself gives a general picture of the aims of I.R.C.C.

The I.R.C.C. is, as you may know, an organization developed to promote co-operation among the Indiana Radio Clubs and other similar councils in this area. The I.R.C.C. is a direct supporter of A.R.R.L. In our April meeting plans were developed to stimulate on the air activities. A picnic is planned for July and several other programs of general interest are being developed. The 9th district convention is to be held in October at French Lick. The convention is sponsored by I.R.C.C. with the approval and sanction of A.R.R.L. Headquarters.

I hope the attached constitution will provide you with a general idea of the functions of I.R.C.C. and we sincerely hope that your group sees fit to join. We understand that your membership contains amateurs from Indiana, Kentucky and Illinois but feel that this would in no way conflict with membership in the Indiana council. I will be glad to hear from you again if you have additional questions.

Very truly yours,

Alvin Pittman, W9JJC
Vice Chairman, I.R.C.C.

AMERICAN RADIO RELAY LEAGUE

Incorporated
Administrative Headquarters
WEST HARTFORD 7, CONNECTICUT, U. S. A.

July 10, 1951

Mr. Club Secretary:

Dear OM:

Under date of February 16th we sent you an Annual Survey Form requesting information on your organization, officers' names, mailing address, etc., as required by the ARRL Board of Directors. This information was used to compile the Honor Roll of Affiliated Clubs whose entire memberships are ARRL Members. This appeared on page 67 of June QST and another listing will appear when more data have been returned. We sent a stamped self-addressed envelope but check of our records reveals that we have not yet received this questionnaire or survey form from you. This makes it necessary to reclassify your club as inactive at this time.

We should very much prefer to keep you on our mailing list to receive future club bulletins and mailings. If a club is definitely inactive or disbanded, we should be advised so the records may be accurate and complete. This establishes a good basis for reactivation under the same charter of affiliation when practical in the future. Also if your group is active, we do not want to make a mistake in removing your stencil from the mailing list and a word from you will help us keep it in file. Regulatory changes, opportunities for clubs to receive any new data on programs or ARRL Training Aids, etc., depend on your club appearing on the "active" list.

We are now completing a revised mailing list. If your group is active or expects to be active in the coming season, please fill out and return the attached blank so that we can keep your club on our mailing list to receive bulletins and other information as issued. Thanks and 73.

Sincerely yours,

F. E. Handy, W1BDI

ILLINOIS - KENTUCKY - INDIANA

Tri-State Amateur Radio Society

Evansville, Indiana

OFFICE OF THE SECRETARY

Gentlemen:

On September 23, 1951, the Tri-State Amateur Radio Society will hold its Annual Picnic here at Evansville. The Society, with a registered membership of 75, expects an attendance of over 300 from the Tri-State area.

Would your concern be willing to donate any merchandise to be awarded as prizes for the various events to be held? Any items donated will be prominently displayed with the donor's name in a conspicuous place. In addition, mention will be given in "Tri-State Spark's", the Society's monthly publication sent to over 150 persons.

Your comments on such a donation will be appreciated in order that our Planning Committee may be guided in their efforts.

Sincerely yours,

Fred Sawyer, W-9-FJI
Secretary, T. A. R. S.
Picnic Committee
627 East Virginia Street
Evansville 11, Indiana

FS:LO

13 August 1951

To: T.A.R.S. Committee Chairmen
Executive Committee
Board of Directors

Our next executive meeting is set for Thursday, 16 August 1951, at 1930 CDST, in the U. S. Naval Reserve Training Center, 2700 West Illinois Street, Evansville, Indiana

We are most anxious for all officers of the club to attend.

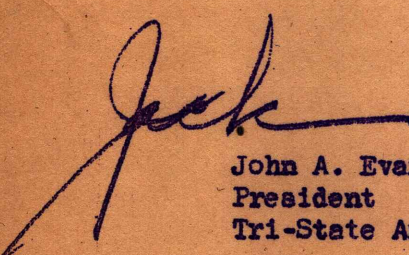

While there remains only a few months of our tenure in 1951, it is felt that we can still come up with an acceptable list of accomplishments by the time the book is closed.

Each committee chairman is sincerely requested to accept his respective office. Our membership looks to us to carry-on and we are confident that, within the executive group, there exists enough talent and ability to do an outstanding job.

We have four vacancies to fill on our activities committee. Hatfield and Gehres have found it necessary to withdraw. Begeman and Clemens have moved. Your recommendations on replacements are requested

During recent weeks I have received numerous suggestions, which will be offered for your consideration. We want all the advice and suggestions you can come up with. After all, our activity is a cooperative effort. Our success as a group will be directly proportional to the amount of cooperation we can offer the other fellow. Our gratification will result from a justifiable pride in our achievement at the close of our term.

Hope to see you Thursday!

John A. Evans - W9HRE

Gentlemen:

We don't want to disturb you or interfere with your taking that good old Summertime Vacation. So this won't take but one minute.

The Fort Wayne Radio Club has elected to buy one quarter page of advertising space in the Program Booklet to be published for the Ham Convention this October at French Lick, Indiana. The Club has not yet decided precisely what it will say (advertise) -- that can be worked out a bit later -- but it does seem to be a good way to lend a bit of support to a venture in which we Hams all have such a big stake. We felt so sure that other Clubs would concur in this idea and would want to do likewise that we hereby extend that opportunity.

The rates are \$20 per page, \$10 per half page, or \$5 per quarter page. See the reverse side for exact measurements. There will be approximately 1000 programs printed and distributed.

So if you and your Club would like to subscribe for some space -- as much as you want -- please write me to reserve it for you until August 20. By that time we must have your remittance and your copy to be inserted, for printing.

Dear Charles:

Thank you for your recent letter giving us the opportunity to buy advertising space in the Program Booklet of the approaching convention.

The Society has elected to buy one quarter of a page. Enclosed find the copy to be inserted and a Five Dollar (\$5.00) check to cover the cost.

We are glad to lend a bit of support to an event in which we are all interested.

Thanks again for your consideration.

Dear Bob:

Thank you very much for your August 17 letter with your \$5.00 remittance and the copy to be inserted in the Convention Program Booklet.

Your copy is being forwarded to Mr. Raymond Bittner, 221 N. Raymond Street, Griffith, Indiana, who will look after the printing and making up of the booklet. By copy of this letter I am asking him to mail you a sample sheet as a proof as soon as they are printed.

Thank you very much for your support.

☆ ☆ ☆ ☆ ☆ ☆ ☆ ☆ ☆ ☆ OCTOBER 20 - 21

18 September 1951

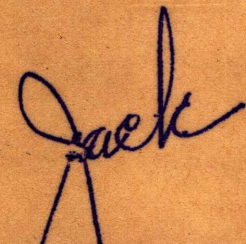

To: T.A.R.S. Committee Chairmen
Executive Committee
Board of Directors

A special executive meeting has been called for Friday,
21 September 1951, at 1930 CDST, in the U. S. Naval Reserve
Training Center, 2700 West Illinois Street, Evansville, Indiana.

Among items to be discussed are:

1. Final plans for Annual Picnic September 23rd.
2. The proposed city ordinance which may impose
some limitations on amateur antenna installations.
- ✓ 3. West Side Fall Festival.
4. Proposed dinner meeting for October 19th with John
Huntoon, from AFRL Headquarters as guest.

It is hoped that all club officers including committee chairmen
will arrange to attend to insure full coordinated discussion
of all items of business.

Dear Mr. Cecker:

In checking through my material for the Convention Program Booklet,
I am unable to find a copy of your add.

Will you please send me a copy of it in the earliest possible mail?
I am writing to Ray Atkinson to see if he can find it among his papers,
but don't want to take any chances on not finding it, since we are ready
to go to press.

Thanking you for this favor, I am

Very truly yours,

Raymond Bitner

Dear Bob:

Enclosed is the proof sheet for the onequarter page ad which is to appear in our Program Booklet for the A. R. R. L. Convention to be held at French Lick, October 20 and 21.

I wish to apologize for my part in the mess which resulted in our having to bother you (so I am told) to obtain another copy for this ad.

Thank you very much for your club support, and we hope to see you and many of your gang at French Lick.

TRI-STATE AMATEUR RADIO SOCIETY

EVANSVILLE, INDIANA

5 October 1951

To All Members:

You are invited to attend a Special Dinner Meeting to be held in the Cub Room of Lamplight Inn, on 22 October 1951, at 1930 CST.

We will have, as our guest, Mr. A. L. Budlong, W1BUD, Secretary and General Manager of The American Radio Relay League, who will visit us following the ARRL Central Division Convention at French Lick. "Bud" will probably carry a message of considerable interest and importance to all of us.

We know your "mouth will water" at the menu, as "Steve" promises his usual most appetizing cuisine. Here it is.....

Green Split Pea Soup
Head Lettuce Salad - French Dressing
Roast Beef with Brown Gravy
Potatoes - AuGratin Tiny Buttered Green Peas
Coffee Tea Milk
Pineapple Sherbet

\$2.00

Please mail your reservation card promptly, as seating capacity in the Cub Room is somewhat limited and final arrangements must be completed by 15 October 1951.

John A. Evans, W9HRH - President
Tri-State Amateur Radio Society

October 25, 1951

Mr. John Huntoon
Assistant Secretary
American Radio Relay League
38 LaSalle Road
West Hartford, Connecticut

Dear John:

I hope your trip home was entirely comfortable and on schedule.

Last night I was elected President of T.A.R.S. for another term.

We think we have developed a possibility for code training over the Evansville College FM station, WEVC.

While our plans are just now being formed, it appears that we will be given two 30-minute periods per week. I believe it would be well to follow the "Voice of America" pattern with a recorded identification back-ground and announcement, maybe calling CQ or QST (whichever might be appropriate.) We could then run in about five minutes of amateur news, 15 or 20 minutes of code practice and wind up with more items of general interest and an appropriate signature.

What do you think about using ARRL code practice tapes and/or records? Jim Mabrey, W9HTT, is signal-corps trained and will actually handle the instructions. In any case, we are wide open for suggestions and material, and will welcome anything at all along this line you can throw our way.

The whole idea, of course, will be given adequate news-paper publicity before-hand, and our own personnel will run the show. We have the list of ARRL Training Aids and perhaps you could indicate to us which might be the most adaptable to this type of training.

We hope to stir up enough interest in code practice sessions so that we can develop applicants for theory classes. We assume we can recommend to our embryo amateurs that they follow the WIAW code practice transmissions as soon as a communications receiver is available. However, with the great amount of FM receivers in service we feel we can immediately appeal to a rather large class.

What do you think?

Very sincerely,

John A. Evans, W9HRH
1905 Aviation Avenue

Nov. 8, 1951

ON REQUESTS FOR WLDBM's BOOKLET "TELEVISION INTERFERENCE"

If your club has already requested a quantity shipment of the 80-page booklet "TV Interference" mentioned in OB Nr. 316 this card requires no action. It is requested and urged by Mr. Rand that a group request in lieu of several individual requests will be appreciated, so as to reduce the number of individual mailings necessary.

Club Secretaries instead of having members drop a line individually for the booklet may assess the needs of the club membership at a meeting for the number of the free booklets that can be profitably distributed, then advising Mr. Rand. Send all requests to: Mr. Philip S. Rand, WLDBM (c/o Remington Rand, Inc., Laboratory of Advanced Research, Wilson Road, South Norwalk, Conn.)

Thanks for your co-operation in his behalf. 73.

F. E. Handy, WLBDI, Communications Manager

Mr. Philip S. Rand, WLDBM
c/o Remington Rand, Inc.
Laboratory of Advanced Research
Wilson Road
South Norwalk, Connecticut

Dear Mr. Rand:

In regard to the 80 page booklet, "TV Interference" mentioned in ARRL OB NR. 316, I wish to request 12 copies for the membership of the Tri-State Amateur Radio Society.

Since we are located in a "fringe area", these booklets will be greatly appreciated and used profitably.

Thanks for giving us this opportunity.

Your truly

Robert H. Decker, W9AZJ
Secretary, TARS

Gentlemen:

I wish to advise that effective January 1, 1952, I am no longer Secretary of the Tri-State Amateur Radio Society.

For your information, the new Secretary is Darwin Covert, W9KVE, 1615 South New York Avenue, Evansville, Indiana.

I would like to take this opportunity to thank you for your cooperation throughout the past year.

Yours very truly,

R. H. Decker, W9AZJ
